Dear Sister,

Your lovely & useful gift came this a.m. and I want to thank you for it. Just what I needed in my sewing corner in the dining room. I was certainly well remembered, more than a dozen & a half different gifts. besides a package for all of us from Estella & it is still in the express office -

Harold does lovely pyrography work.

and also his manual training work in high school is about the best in his grade. He stands above 90 in all his studies.

Grace is giving music lessons & taking lessons in pipe organ where not helping with house work.

Ava rec'd a five dollar gold piece from her employer & a 13<sup>th</sup> Turkey for Xmas. She is still singing in the Euclid ave. M.B. church choir -

They all rec'd many lovely & useful gifts. This has been a very quiet but typical Christmas day. How is the weather with you? Presume it is a lovely sunny

in winter as well as summer.

I had a letter from Sister Jane a few weeks ago. I would have liked to met the friends at their anniversary but could not get away -

Thanking you again for the very useful gift will close with best wishes for a Happy New Year

To You & yours

Sister Lucretia Hartsough
